- **Intro to High Performance Computing**: Th, Aug 12 & Fri, Aug 13, 1-4pm PDT
- **Intermediate Topics in Machine Learning and Deep Learning**: Mon, Aug 16 & Tue, Aug 17, 8-11am PDT
- **Deep Learning for Natural Language Processing, Part II**: Wed, Aug 18 & Fri Aug 20, 8-11am PDT

**Note:**
- *Data Visualization in Tableau and Deep Learning for NLP workshops are scheduled at the same time and day. You can only attend one of these two workshops.*
- *Intro Math Optimization and Intro Programming in R workshops are scheduled at the same time and day. You can only attend one of these two workshops.*

**Q: What time are the workshops at?**
A: All of the morning workshops begin at 8am and end at approximately 11am PDT. Afternoon workshops begin at 1pm and end at approximately 4pm PDT.

**Q: Are the ICME summer workshops open to everyone?**
A: These workshops are available to anyone! Stanford students, Stanford faculty & staff, faculty, staff & students from other universities, corporate partners, national labs, high school students, and anyone in the general public.

**Q: If I am an industry ICME partner, how do I register?**
A: Employees from ICME Partner organizations should follow the instructions in the email invitation to qualify for the exclusive 50% Partner discount. Reach out to
Q: Are the ICME workshops free?
A: The full price of each full-day workshop is $400, but depending on which category of registrant you fall under you may be eligible for a significant discount as low as $75/workshop!

Q: Are discounts available?
A: Yes, discounts are available. Details of available discounts for each category of participant is explained on the ICME Summer Workshops Registration Page.

Q: I am eligible for a discount under one of the categories you outlined. Can the discount be extended to friends and family?
A: They would fall under the “General Public” category unless they are students, staff, partners, etc., themselves.

Q: Are these workshops STAP eligible?
A: Yes, for those of you joining us from the Stanford community, these workshops are STAP eligible!

Q: Are these workshops available to those in high school?
A: Yes, students in high school are welcome to attend this year's online workshops. Please see prerequisites for each workshop.

Q: Can I combine classes from previous years to classes for the current year to obtain the certificate?
A: All of the workshops must be completed within the same summer to qualify for the certification.

Q: Are the workshops refundable?
A: All sales are final, not transferable, and non-refundable.

Q: Will attendance be taken for the workshops?
A: Yes, attendance will be taken for all Zoom workshops. Your attendance will ensure that you qualify for the 2021 ICME summer workshop certification.

Q: Are there any prerequisites for the workshops?
A: Yes, some, but not all workshops do have prerequisites. Information on...
prerequisites and course information in general can be found here.

**Q: How can I qualify for the ICME Summer Workshops Certification?**

A: If you register for and attend four or more workshops all in the same summer, you will qualify for the certification.

**Q: When will I receive my ICME Summer Workshops Certificate?**

A: Certificates for qualifying attendees will be emailed by the end of September 2021.
